### A Balanced Diet

A Balanced Diet is very important to health. We must eat different things instead of too much of any one thing.

It is a good idea to eat a lot of grains like noodles and bread, plenty of vegetables and fruits, and some fish and meat each day. They can give us energy and nutrition. Some dairy foods like milk can help our bones and teeth to develop. However, eating too much junk food like hamburgers, fried chicken and chips can cause acne. So we had better take the doctor's advice and have a balanced diet. Then we will be strong and fit.

The following pyramid is a guide to a healthy, balanced diet. It shows how much of each kind of food we need each day.

示例: 11. lemon

1. cereal 2. carrot 3. pork 4. orange 5. chicken 6. yoghurt 7. rice 8. candy 9. French fries 10. cabbage
